#### REVENUE DEPARTMENT.

A Dictionary of the Economic Products of India.

By DR. GEO. WATT, C.I.E.

Reporter on Economic Products.

Published under the authority of the Government of India in the Revenue and Agricultural Department.

The first three volumes of this work are now ready for issue, and intending subscribers are invited to register their names with the Superintendent of Government Printing, Calcutta.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan, the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses, both chemical and industrial; trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross references, so that little difficulty need be experienced in finding the account of a product even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributions have, however, furnished the results of new discoveries, and confirmed the vernacular names; so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal pages; Volume II embraces the letter C in 689 pages; Volume III contains the letters D, E, F, and G in 534 pages. The whole work will, it is expected, be completed in six volumes by 1891; but a seventh volume may also be issued consisting of an index to all the vernacular and other names contained in the Dictionary; and this as a work of reference, it is hoped, may prove of considerable value.

The price to subscribers will be in India Rs. 30 and in England 2 guineas, payable in advance, for the complete set. An extra charge for packing and postage will be made for the set—in India, at 8 annas per volume, and for England at 2 rupees 6 annas per volume.

For copies bound in half calf or half morocco, Rs. 6 and 8 shillings respectively will be charged extra for the whole sets.

\*.No copies will be issued to non-subscribers till the work is complete, and no single volume will be sold separately. The price to non-subscribers will be Rs. 45 in India, and 3 guineas in England, exclusive of packing and postage.

## Notification

IT is hereby notified for general information that Rajah Nimye Charan Dhal Deo, late proprietor of the entire pergunnah of Ambicanagore, in the district of Bankoora, has, by an ejarah lease executed in 1884, conveyed for 31 years whatever rights and interests he had in the minerals and metals of the entire pergunnah of Ambicanagore in the district of Bankoora, excepting a few villages which he has kept in his kash possession, to the late Rajah Ram Chandra Dhabal Deo of Dhalbhoom in the district of Singhbhoom.

As the entire estate of the late Rajah Ram Chandra Dhabal Deo of Dhalbhoom, including pergunnah Ambicanagore, is now managed by the Revenue authorities of the Chota Nagpore Division under the provisions of the Chota Nagpore Encumbered Estates' Act, the Manager of the Dhalbhoom Estate alone, acting under the orders of the Commissioner of the Chota Nagpore Division, has the power of giving a lease of the minerals and metals of the pergunnah.

The lease recently executed by Rajah Sir Sourendra Mohan Tagore, K.T. C.I.E., as purchaser of the proprietary rights of the said Rajah Nimye Charan Dhal, in favour of Mr. Palmer of Calcutta of the mineral rights in the said pergunnah of Ambicanagore is null and void, inasmuch as the said Rajah Sir Sourendra Mohan Tagore has purchased the proprietary rights of the said Rajah Nimye Charan Dhal in the said pergunnah of Ambicanagore long after the execution of the ejarah lease in favour of the late Rajah Ram Chandra Dhabal Deo of Dhalbhoom. Instructions have accordingly been issued on the Manager of the Dhalbhoom Estate to take the necessary steps to oppose by all constitutional means any attempt that may be made by the aforesaid Mr. R. G. Palmer to take possession of the minerals of the said pergunnah of Ambicanagore, or to begin mining operations within it. The Dhalbhoom Estate not only holds the aforesaid pergunnah of Ambicanagore by virtue of the ejarah lease referred to above, but also under a deed of mortgage executed by the said Rajah Nimye Charan Dhabal, simultaneously with the ejarah lease.

Commissioner of Chota Nagpore.

### REVENUE DEPARTMENT.

#### A Dictionary of the Economic Products of India.

By DR. GEO. WATT, C.I.E.

Reporter on Economic Products.

Published under the authority of the Government of India in the Revenue and Agricultural Department.

The first three volumes of this work are now ready for issue, and intending subscribers are invited to register their names with the Superintendent of Government Printing, Calcutta.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan, the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses, both chemical and industrial; trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross references, so that little difficulty need be experienced in finding the account of a product even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributions have, however, furnished the results of new discoveries, and confirmed the vernacular names; so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal pages; Volume II embraces the letter C in 689 pages; Volume III contains the letters D, E, F, and G in 534 pages. The whole work will, it is expected, be completed in six volumes by 1891; but a seventh volume may also be issued consisting of an index to all the vernacular and other names contained in the Dictionary; and this as a work of reference, it is hoped, may prove of considerable value.

The price to subscribers will be in India Rs. 30 and in England 2 guineas, payable in advance, for the complete set. An extra charge for packing and postage will be made for the set—in India, at 8 annas per volume, and for England at 2 rupees 6 annas per volume.

For copies bound in half calf or half morocco, Rs. 6 and 8 shillings respectively will be charged extra for the whole sets.

\*No copies will be issued to non-subscribers till the work is complete, and no single volume will be sold separately. The price to non-subscribers will be Rs. 45 in India, and 3 guineas in England, exclusive of packing and postage.

IT is hereby notified for general information that Rajah Nimye Charan Dhal Deo, late proprietor of the entire pergunnah of Ambicanagore, in the district of Bankoora, has, by an ejarah lease executed in 1884, conveyed for 31 years whatever rights and interests he had in the minerals and metals of the entire pergunnah of Ambicanagore in the district of Bankoora, excepting a few villages which he has kept in his kash possession, to the late Rajah Ram Chandra Dhabal Deo of Dhalbhoom in the district of Singbhoom.

As the entire estate of the late Rajah Ram Chandra Dhabal Deo of Dhalbhoom, including pergunnah Ambicanagore, is now managed by the Revenue authorities of the Chota Nagpore Division under the provisions of the Chota Nagpore Encumbered Estates' Act, the Manager of the Dhalbhoom Estate alone, acting under the orders of the Commissioner of the Chota Nagpore Division, has the power of giving a lease of the minerals and metals of the pergunnah.

The lease recently executed by Rajah Sir Sourendra Mohan Tagore, K.T., C.I.E., as purchaser of the proprietary rights of the said Rajah Nimye Charan Dhal, in favour of Mr. Palmer of Calcutta of the mineral rights in the said pergunnah of Ambicanagore is null and void, inasmuch as the said Rajah Sir Sourendra Mohan Tagore has purchased the proprietary rights of the said Rajah Nimye Charan Dhal in the said pergunnah of Ambicanagore long after the execution of the ejarah lease in favour of the late Rajah Ram Chandra Dhabal Deo of Dhalbhoom. Instructions have accordingly been issued on the Manager of the Dhalbhoom Estate to take the necessary steps to oppose by all constitutional means any attempt that may be made by the aforesaid Mr. R. G. Palmer to take possession of the minerals of the said pergunnah of Ambicanagore, or to begin mining operations within it. The Dhalbhoom Estate not only holds the aforesaid pergunnah of Ambicanagore by virtue of the ejarah lease referred to above, but also under a deed of mortgage executed by the said Rajah Nimye Charan Dhabal, simultaneously with the ejarah lease.

W. H. GRIMLEY,  
Commissioner of Chota Nagpore.

#### REVENUE DEPARTMENT.

A Dictionary of the Economic Products of India.

By DR. GEO. WATT, C.I.E.

Reporter on Economic Products.

Published under the authority of the Government of India in the Revenue and Agricultural Department.

The first three volumes of this work are now ready for issue, and intending subscribers are invited to register their names with the Superintendent of Government Printing, Calcutta.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan; the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses, both chemical and industrial; trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross references, so that little difficulty need be experienced in finding the account of a product even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributions have, however, furnished the results of new discoveries, and confirmed the vernacular names; so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal pages; Volume II embraces the letter C in 689 pages; Volume III contains the letters D, E, F, and G in 534 pages. The whole work will, it is expected, be completed in six volumes by 1891; but a seventh volume may also be issued consisting of an index to all the vernacular and other names contained in the Dictionary; and this as a work of reference, it is hoped, may prove of considerable value.

The price to subscribers will be in India Rs. 30 and in England 2 guineas, payable in advance, for the complete set. An extra charge for packing and postage will be made for the set—in India, at 8 annas per volume, and for England at 2 rupees 6 annas per volume.

For copies bound in half calf or half morocco, Rs. 6 and 8 shillings respectively will be charged extra for the whole set.

\*No copies will be issued to non-subscribers till the work is complete, and no single volume will be sold separately. The price to non-subscribers will be Rs. 45 in India, and 5 guineas in England, exclusive of packing and postage.

#### REVENUE DEPARTMENT.

A Dictionary of the Economic Products of India. By DR. GEO. WATT, C.I.E.

Reporter on Economic Products.

Published under the authority of the Government of India in the Revenue and Agricultural Department.

The first three volumes of this work are now ready for issue, and intending subscribers are invited to register their names with the Superintendent of Government Printing, Calcutta.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan, the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses, both chemical and industrial; trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross references, so that little difficulty need be experienced in finding the account of a product even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributions have, however, furnished the results of new discoveries, and confirmed the vernacular names; so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal pages; Volume II embraces the letter C in 689 pages; Volume III contains the letters D, E, F, and G in 534 pages. The whole work will, it is expected, be completed in six volumes by 1891; but a seventh volume may also be issued consisting of an index to all the vernacular and other names contained in the Dictionary; and this as a work of reference, it is hoped, may prove of considerable value.

The price to subscribers will be in India Rs. 30 and in England 2 guineas, payable in advance, for the complete set. An extra charge for packing and postage will be made for the set—in India, at 8 annas per volume, and for England at 2 rupees 6 annas per volume.

For copies bound in half calf or half morocco, Rs. 6 and 8 shillings respectively will be charged extra for the whole set.

\*No copies will be issued to non-subscribers till the work is complete, and no single volume will be sold separately. The price to non-subscribers will be Rs. 45 in India, and 3 guineas in England, exclusive of packing and postage.

#### REVENUE DEPARTMENT.

**A Dictionary of the Economic Products of India.**

By DR. GEO. WATT, C.I.E.

Reporter on Economic Products.

Published under the authority of the Government of India in the Revenue and Agricultural Department.

The first three volumes of this work are now ready for issue, and intending subscribers are invited to register their names with the Superintendent of Government Printing, Calcutta.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan, the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses, both chemical and industrial; trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross references, so that little difficulty need be experienced in finding the account of a product even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributions have, however, furnished the results of new discoveries, and confirmed the vernacular names; so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal pages; Volume II, embraces the letter C in 689 pages; Volume III contains the letters D, E, F, and G in 534 pages. The whole work will, it is expected, be completed in six volumes by 1891; but a seventh volume may also be issued consisting of an index to all the vernacular and other names contained in the Dictionary; and this as a work of reference, it is hoped, may prove of considerable value.

The price to subscribers will be in India Rs. 30 and in England 2 guineas, payable in advance, for the complete set. An extra charge for packing and postage will be made for the set—in India, at 8 annas per volume, and for England at 2 rupees 6 annas per volume.

For copies bound in half calf or half morocco, Rs. 6 and 8 shillings respectively will be charged extra for the whole sets.

\*No copies will be issued to non-subscribers till the work is complete, and no single volume will be sold separately. The price to non-subscribers will be Rs. 45 in India, and 3 guineas in England, exclusive of packing and postage.
